

### **St Paul's Church Gorsedd**

### **Re Church Energy Purchasing Group (CEPG)**

### **Jordan Scott, Account Manager.**

I have recently had the privilege of dealing with CEPG through Jordan Scott in connection with moving our electric account, with a resultant saving of 38% over our previous suppliers, British Gas for our Church Hall supply. The way in which this business was conducted was exemplary, and took the stress completely out of switching suppliers.

Following the switch, British Gas sent us a final demand for £379, based on an estimated reading. Jordan dealt with this matter, eventually obtaining a final amount of £24; what a result! Again this took away any stress from our selves.

We will be switching the Church supply next March when our current contract ends, based on this excellent service. Jordan has already served notice on British Gas.

I cannot recommend too highly the excellent way in which Jordan on behalf of CEPG has conducted our business. Thoroughly professional in all aspects of undertaking our business, it has been a pleasure to deal with him.
